

Here's the Cardinal Scoop

From the Principal

On the Monday, March 12 in-service we had a very informative intruder training with Larry Burke from the Cass County Sheriff's office and Jon Hardy from the Plattsmouth Police Department. We will be planning an intruder drill in the near future. This is something that we all pray will never happen in our schools and we are doing what we need to do to be prepared.

The 4th quarter has begun and we will be working hard right up until the last day of school. There is a lot going on between now and May 16. As always, the year has flown by and we have had a great year. We continue to learn and grow from daily experiences and appreciate all the support that we receive from school and parish families.

The calendar at the right is very full. Please look at the reminders and mark your calendars for all these important dates. We are looking forward to all the great activities that come at the end of the school year.

If you are applying for the tuition assistance through FACTS management system, there is a \$30 fee for applying. This was left off the information that we sent out that FACTS provided.

With the new FACTS tuition payment system and Powerschool we hope this process is more streamlined. But this being the first year I ask for your patience and understanding as we all learn the new process. We will be available to help with the online process as well as completing other forms needed.

We take No Frills receipts all throughout the year. Use the Shoparoo app on your phone. Scrip cards are a great gift anytime of the year.
