Our St. John the Baptist family is holding strong, we don't have any students in quarantine or positive cases this week.

With the dial going down, St. John the Baptist will not be changing our protocols this school year. What we are doing is working and we want to ensure that we will be able to finish the 2020-2021 school year strong and healthy.

As of 4-15-2021, The Sarpy/Cass Health Department COVID-19 risk dial is under construction at this time.

Please remember to practice good mask usage, hand washing, social distancing, and avoid large gatherings outside of the school building.

Avoid the 3C's—Avoid Crowded places, Confined spaces and Close contact (no closer than 6 ft. for longer than 15 min.)

Practice the 3 W's—Wear a mask, Wash your hands often, Watch your distance.
