

CLASSROOM VISITATION

An invitation is extended to parents to visit the classrooms of your children. However, out of courtesy, please contact your child's teacher in advance to make sure there are no problems or conflicts with the time you would like to visit. Visitors may bring younger children along, but please remember the importance of keeping them quiet so as to not interrupt the classroom situation. Children are not allowed to move about in the halls or classrooms unattended.

One of the goals we strive toward is to run our classes without undue interruption. If you have a message or item for your child, please bring it to the office and it will be taken care of by office personnel. Messages will be delivered to the classrooms ½ hour before the end of the school day. Please remember that we are as busy here in the office as they are in the classrooms and we make every effort to give messages in a timely manner. Family members are asked not to go directly to the classroom as teaching in progress may be disrupted.
