

SPONSOR A CLASSROOM

St. John the Baptist School is an integral part of the Catholic Church mission because it assists our families in the important obligation of educating and forming their children through faith development. For nearly 140 years, St. John the Baptist has provided a rigorous education, rooted in the Gospel, and rich in the cherished traditions and practices of our faith.

While the commitment of our parish and school families is unwavering, there still remains a financial gap between what we collect in tuition and the actual cost to educate a student. This gap is approximately \$6,000 per student. While our parish subsidizes the school, and fundraising efforts and endowments provide financial assistance, those funds, combined with tuition payments, do not cover the true cost of Catholic education. It is in times like these that we turn to our parish-school community and ask for your support. You have the opportunity to sponsor a classroom and help us bridge this financial gap, while also supporting the needs of our students. Sponsoring a classroom is an investment in the future of our parish and the greater Plattsburgh community.

As a classroom sponsor, you will get to know the students in the class your sponsorship supports. Students will connect with you throughout the year via letters, pictures and updates from the teacher. We hope that you will also respond with letters and notes of encouragement.

We are grateful for your continued support of St. John the Baptist School ... and we hope you will prayerfully consider becoming a classroom sponsor.

When you become a classroom sponsor, you help provide to the needs of our students, while also helping St. John the Baptist preserve our long-standing tradition of providing a quality, affordable Catholic education in our community!
